

## Washington Youth Soccer Quick Start – Scores/Standing

### MANAGERS/COACHES/CLUB ADMINISTRATORS:

If you have registered your team for a league that will require you to post your scores, you will need to have your username and password to your member account in order to log in. The website address for the member log in screen is [sda.bonzidev.com/sam/registration/login.php](http://sda.bonzidev.com/sam/registration/login.php)

Once logged in, your member home will have a section called View/Manage Schedules or Game Scores. The list will show you how many teams you have added to the league event. Choose the specific league to edit and the information regarding those teams will appear on the next page as below.

**View / Manage Schedules or Game Scores**

Event	Registered Teams
<a href="#">U11-U14 Spring League</a>	1
<a href="#">2009-2010 State League</a>	3

To edit a team's schedule and scores, click on the Schedule/Scores next to their name. This will bring that team's complete schedule up in the next screen. Only the Home games may be edited and scores posted.

If the member that registered the team does not want to manage the scores, they may issue the team a password for just that purpose. Enter password choice and click Update. All teams will be given a username of their team number. Passwords will be chosen by the registering member. Coaches/Mangers entering game scores will need to log in at

<http://sda.bonzidev.com/sam/standings/login.php>

### MANAGING GAME TIMES & LOCATIONS:

Each Club/Association/Team will be responsible for updating the Time and Location for their home games.

\*Time must include AM/PM when updated.

\*Locations should include field name and number. The field physical address may also be included in the locations information.

**Manage/View Schedules and Game Scores**  
2008 WA Premier League

---

Game#	Home	HG	Visitor	VG	Date	Time	Location
1000000001	ISC Arsenal Blue '95 Lancaster	0	Norpoint FC 95- Fire 	0	08/09/2008	TBD	TBD

(HG-Home Goals) (VG-Visiting Goals)

Contact information is available for each team in their schedule list by scrolling over the envelope next to the team name. The following information will be available: Team Contact – Email address – Phone Number. Contacts may generate an email from this spot also by clicking on the yellow envelope.

### SCORE REPORTING:

Any person(s) that has been given the team log in may go to the following site <http://sda.bonzidev.com/sam/standings/login.php>. The screen will look like this. Enter your team number and password given to you and the teams complete schedule will appear on the next page. Only the home team scores and schedules may be changed at this screen. Once scores are reported, the standings will adjust on the standings page.
