

As a player who participates in the Washington Youth Soccer Olympic Development Program (ODP).I would like to seek your assistance. The ODP program is a high level, competitive soccer program under the auspices of the US National Youth Soccer Program. Each year, Washington Youth Soccer selects top level soccer players from around the state to train with Washington Youth Soccer's Premier Coaches from through out the state on teams in the U-13 (under 13) through U-18 age groups. These teams go on to compete at both the regional and national levels. Players are select via a tryout process to the teams in the fall of each year and begin training in September with attendance at Regional Camp in July. Players also attend regional tournaments; allowing them an opportunity to showcase their talents before regional and national team coaches and a broad range of college coaches.

Washington Youth Soccer's ODP has met with great success placing numerous players on the regional and national teams. Washington's own Hope Solo was the goal keeper for the US Woman's National Team who competed in the 2008 Beijing Olympics.

The continued success of our program depends upon you. Your tax deductible contribution will provide the means to allow this player to reach the next level in their soccer career. Please take this opportunity to make a difference in a life of a child. Thank you for your continued support of our program.
